COMING YEAR ESCROW PROJECTION

The purpose of the Coming Year Escrow Projection is to determine the lowest balance "Low Point" to which your escrow account will decline over the upcoming year. The purpose of the Low Balance Summary is to compare the projected and allowable low point amounts. If the projected low point is greater than the allowable low point (*), there is a surplus. If the surplus is \$50.00 or greater, it will be automatically refunded to you. If the surplus is less than \$50.00, we have lowered your payment accordingly. If the projected low point is less than the allowable low point(*), there is a shortage and/or deficiency which will be recovered by an adjustment to your monthly payment over a specified number of months. The adjustment amount(s) appears in the Low Balance Summary and New Payment Information.

Under Federal Law (RESPA) the lowest monthly balance in your escrow account should not exceed \$253.62 or 1/6th of the total anticipated annual disbursement from your escrow account, unless your mortgage documents or state law specifies a lower amount. When your escrow balance reaches its lowest point during the account cycle, that balance is targeted to be your cushion amount. Under the Mortgage Contract or State or Federal Law, the targeted low point in your escrow account is \$253.62 and the actual low point balance was -\$3,131.60; the amount is indicated with an arrow (<).

Please note that:

1. Selene, as servicer of your mortgage loan, is obligated to make all payments for taxes and insurance for which the escrow account is maintained and if any such payment is not timely, Selene will be responsible for making such payments including any penalties and interest and shall be liable for all damages to the mortgagor resulting from its failure to make timely payments;
2. In the event that a real property insurance premium notice is sent directly to you by the insurer, you have the obligation to promptly transmit such premium notice to Selene or our designated institution for payment. Failure to do so may jeopardize your insurance coverage and may excuse Selene from liability for failure to timely make such real property insurance payments.
3. You, as mortgagor, are obligated to pay one-twelfth of the annual taxes and insurance each month to Selene which will be deposited into a real property escrow account. However, when there is a deficiency or surplus in your escrow account, a greater or lesser amount may be required;
4. Selene will deposit the escrow payments into a banking institution whose deposits are insured by a federal agency; and
5. Selene cannot impose any fees related to the maintenance of the real property escrow account.

Selene Finance LP is a debt collector attempting to collect a debt and any information obtained will be used for that purpose.
